

WHAT IS AVIR?

The Association of Vascular Interventional Radiographers (AVIR) is the national organization of healthcare professionals working within Vascular and Interventional Radiology and involved in standard of care issues, continuing education and related concerns.

WHY IS JOINING IMPORTANT?

The AVIR is dedicated to you, and is a powerful advocate for the special interests and concerns of healthcare professionals working in Vascular and Interventional Radiology. We acknowledge the importance of continuing education, establishing high standards of practice and care, certifying Vascular Interventional Radiographers, and establishing a nationwide network for obtaining information and employment opportunities.
