

March 16th, 2020

Dear Valued Members,

Please read this message in its entirety:

Following Governor Northam's ban on mass gatherings over 100 people statewide in attempts to mitigate the spread of COVID-19, the Virginia Society of Radiologic Technologists Board of Directors has cancelled our 2020 Student, Educators, and Technologists (SET) meeting scheduled April 2-4, 2020 in Virginia Beach. This meeting **will not** be rescheduled this year. The top priority of the VSRT is the health and well-being of our members, associates, and the community.

The Society has **refunded all** those who registered for the event. If you made hotel reservations at the Wyndham Virginia Beach Oceanfront, please make sure to cancel your reservations. The VSRT Board of Directors values our members and will work to provide other opportunities for continuing education credits.

The Central Virginia District Society offers up to 6 CEU's, twice a year. Unfortunately, the CVDSRT has also cancelled their spring meeting that was scheduled for March 21, 2020 due to restrictions on gatherings. Please stay tuned for upcoming meeting dates and locations!

Traditionally, an annual business meeting and honors ceremony are held during our SET meeting to install our new officers. This meeting and ceremony will be held **virtually** this year. All VSRT members are welcomed and encouraged to attend virtually. More information will be provided in the upcoming days for members who are interested in logging in.

On November 7, 2020, the VSRT will celebrate National Radiologic Technology Week by hosting a Webinar. There will be several sites across the state of Virginia where members and students can attend and receive up to 6 CEU's. Please follow us on social media and vsrt.org for more information in the upcoming months!

So mark your calendars! **Our 2021 VSRT Student, Educators, and Technologists meeting will be held April 1, 2021- April 3, 2021. We will return stronger than ever at the Marriott Virginia Beach Bayfront Suites by Marriott.**

We hope to see you at one of our upcoming events!
